GoToMeeting Corporate

Online Meetings Made Easy

GoToMeeting Corporate is the easiest and most cost-effective solution for organizations needing to provide multiple users with online meeting capability. GoToMeeting Corporate enables businesses to become more flexible than they ever imagined, reducing travel while dramatically increasing employee productivity. GoToMeeting Corporate seamlessly integrates audio, HD video conferencing and screen sharing for the most natural online meeting experience available.

Meet, sell and collaborate online

With GoToMeeting Corporate, your employees can meet online with up to 25 people per meeting – any time, anywhere. Each trip they replace with an online meeting saves your company time and money.

- **Sales demos:** Have face-to-face interactions with remote customers and prospects while you conduct live online demos.

- **Follow-up meetings:** Answer questions, tie up loose ends and close deals without having to make an extra trip.

- **Collaboration:** Stay connected with remote team members by including video in daily project meetings.

Features

Intuitive user interface: Easy-to-understand controls enable you to start and join meetings in seconds without training.

Share keyboard and mouse control: Securely collaborate on documents in real time.

Instantly change presenters: Enable any participant to present to the entire group.

Integrated audio: Use a combination of Integrated Toll-Free audio and unlimited VoIP and toll-based phone options to reduce audio costs.

HDFaces video conferencing: Personalize your meetings with simple, integrated high-definition group video conferencing.

Attendee apps: Attend GoToMeeting sessions from your iPhone, iPad or Android.

Desktop recording and playback: Record meetings to review or share later.

Key benefits

- Increase productivity by enabling remote collaboration
- Significantly reduce travel and operational costs
- Boost sales by enhancing interactions with customers and prospects
- Save with built-in audio conferencing
- Receive a faster and greater return on investment
- Build relationships with HD group video conferencing

Specific application sharing: For added privacy, share only the application you choose.

Drawing tools: Draw, highlight and point to items of interest right on the screen.

Integration: Access GoToMeeting through Microsoft Office, email or instant-messaging applications.

Mac support: Mac users can host and join GoToMeeting sessions.

Reporting: Get detailed reports for trend analysis and ROI validation.

Web services APIs: Integrate GoToMeeting Corporate functionality into your own company website.

Security: End-to-end 128-bit AES encryption safeguards all login information and session data.

Administration

The GoToMeeting Corporate secure Administration Center provides end-user and account-management tools for quick deployment and advanced control. No pre-installation, training or configuration is required. With just a few clicks, any individual in your organization can start using GoToMeeting Corporate.

Subscription model

GoToMeeting Corporate's distinctive All You Can Meet flat-fee subscription model makes it easy for every employee to host frequent online meetings. GoToMeeting Corporate is priced so your business can use it more without paying more, providing a new level of value and ROI. There are no restrictions on usage, so organizers can hold online meetings as often and for as long as they like and gain maximum productivity from the solution.
