

# GoToMeeting App for Android

Meet on the go.

## Key benefits

- Increases mobility and convenience
- Easy-to-use, intuitive features
- Works on your preferred device
- Free for meeting attendees

Increase your mobility by launching and attending GoToMeeting sessions on your Android phone, tablet or smartwatch. GoToMeeting is the easiest and most convenient way to attend online meetings – and now you can take it to go! Download the free app from Google Play and join meetings in seconds.

The GoToMeeting app makes online meetings more accessible than ever. Anywhere you take your Android device, you can now start and attend GoToMeeting sessions – at a café, in a hotel or wherever you happen to be.

## With a free GoToMeeting app, you can:

- Join meetings in seconds by tapping a link in an email.
- View presentations, mockups and reports – whatever the presenter shares on-screen.
- Use your smartwatch to join, mute and leave without fumbling for your phone.
- Get alerts for upcoming meetings.
- Listen in via headphones or Bluetooth.

## Say hello to mobile collaboration.

Your Android device is the perfect venue for hosting and attending GoToMeeting sessions when you're away from your desktop. View and discuss slide presentations, project designs and important documents from the convenience of your mobile device.

## FAQs

### 1. How much does the app cost?

Nothing. The GoToMeeting app is offered free of charge.

### 2. Can I host a meeting on my Android device?

Yes. You can start a scheduled meeting or launch an ad-hoc meeting and invite guests. Once the meeting has started, you can change presenters so that others can show their screen.

### 3. How do I set up my own meetings with GoToMeeting?

Sign up for a free 30-day trial from the app or at [www.gotomeeting.com](http://www.gotomeeting.com).
