

Make your voice look good

Dress up your client calls with high-quality audio conferencing but without the fuss, fees or headaches

BE READY IN SECONDS

One tap. No PIN.
Minimal IT support.

89%

of customers find
OpenVoice easier
to manage than the
competition.

NO RESERVATIONS REQUIRED

Easy access to
toll-free audio for up
to 500 callers with
effortless administration.

89%

find the OpenVoice
user provisioning and
management feature
better than the
competition.

SOUND LIKE YOU BELONG ON THE FORTUNE 100

*“Compared to our
previous solution,
OpenVoice is easier
to use, more affordable
and has better
sound quality.”*

Controller, Small Business
Construction Company

LOOK LIKE A PRO (WITHOUT THE PRICE TAG)

77%

find the price for
OpenVoice is better
than the competition.

TREAT YOUR GUESTS

If you're already
using GoToMeeting,
GoToWebinar or
GoToTraining, offer the
best experience possible
with integrated toll-free
dial-in by OpenVoice.
Attendees will enjoy
the enhanced audio
options while everyone
can be heard—and
recorded—on the
same call.

COLLABORATE ANYTIME, ANYWHERE

Join and start calls
from the free
OpenVoice mobile app.

*“The OpenVoice mobile
app makes it very
convenient to collaborate
while on the road.”*

IT Architect, Professional
Services Company
